

Celebrating together the inauguration of the

Garchen  
Enlightenment  
Stupa Society

**16-21 MARCH 2021**  
**LOMA BONITA, OAXACA, MEXICO**

## CONTEXT

The Stupa of the Garchen Enlightenment Stupa Society commemorates **Buddha Shakyamuni's** victory over the temptations and demons in order to attain liberation under the bodhi tree in Bodh Gaya. It is a deeply **auspicious symbol for bringing peace** to North America.

In this great celebration and commemoration of this new Stupa we will have the presence of the venerable **Khenpo Samdup**, as well as the virtual presence of **His Eminence Garchen Rinpoche**.

“For as long as space exists,  
And as long as living beings endure,  
Until then, may I too remain,  
To dispel the misery of all beings.”

- Shantideva
